

REMARKS

Applicant respectfully requests entry of the above amendments to the Specification and Abstract. The amendments correct a minor typographical error and place the application in better condition for publication. Furthermore, the amendments are not being submitted for purposes of delay and do not involve new matter or new issues.

For purposes of clarity, the undersigned has supplied herewith a "Marked Up" copy of the Specification showing all changes currently made in the present Amendment after Allowance. The undersigned has also enclosed a "Clean" copy of the Specification, Claims, Abstract and Sequence Listing. The claims have not been changed in this Amendment After Allowance, and therefore the claims shown in the "Clean" copy enclosed reflect the claims as they stood at the time the Notice of Allowance was issued.

If the Examiner has any questions or comments regarding Applicant's amendments, the Examiner is encouraged to telephone Applicant's undersigned counsel.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'C.B. Linder', written over a horizontal line.
